▪ **Rofas Group of Schools**

2015 - 2018

View website: rofasschools.com

Web Developer, System Analyst & Database Administrator

- Created two platforms for Rofas Group of Schools, The Staff Portal and Student Portal. The Staff portal was specifically built for the Organization's owners to enable them monitor and modify the number of staff employed and also monitor and modify the number of students contained in the various branch of the organization. The Student Portal platform was created to tackle the problems posed by the error prone manual system of student result compilation.

▪ **National Youth Service Corps Anambra State**

July 2017

View Demo Version: iamezevictor.rofasschools.com/projects/nysc-posting/
